

# Hospitality Update

The Dine Hospitality Team has been adjusting to the changing needs of our customers and we are happy to welcome Claudie Ineson as our new Senior Events & Venues Manager. Claudie is determined to build on the excellent service and products which Dine Hospitality offers, so keep checking [www.dinehospitality.co.uk](http://www.dinehospitality.co.uk) to get inspiration for your next event or meeting. In particular, you might be interested in our excellent value 'Summer Working Lunch' menu @ £6 + vat per guest.

Dine Hospitality are proud to announce our partnership with 'Youth Inspire', which is part of 'Re-New'. This organisation aims to regenerate communities and helps to give young people practical experience in the work place, giving them the opportunities they deserve; Dine is proud to support this important initiative. The first work placement starts at the Civic Hall next month.

"We are absolutely thrilled to partner with Dine on its new ethical menu. The donations from every buffet will be a great support in helping us continue our work in the local community, and we look forward to sampling the new menu ourselves"

## NEW Ethical Menu

We're always keen to support local charities and we know that everyone who orders our buffets enjoy giving something back. For each guest enjoying our new Ethical Buffet menu, Dine has teamed up with the Leeds Community Foundation to donate £1. Please get ordering and benefit projects which make a real difference to our community.

Dine is also proud to have become a '100 Club' Member; helping support the Leeds Community Foundation.
